

Business Recovery Team

The Business Recovery Team (BRT) is an initiative by the City of Fishers Health Department to partner with Fishers businesses to provide education, engagement, training, and resources to operate and reopen safely. Members of the BRT plan to meet with all Fishers businesses.

Eligibility Criteria

To be eligible for a meeting with the BRT, your business must be located within the City of Fishers. Businesses of all sizes and industries are eligible and encouraged to sign up.

Program Specifics

The BRT will provide businesses with the following:

- Overview of CDC and State Health Department guidance for your industry
- Recommendations on facility changes specifically for your business (workstation spacing, table distances, etc.)
- Suggestions on personal protective equipment (PPE) for you and your employees
- Steps to encourage customers' sense of safety in your space

Sign-Up Process

To sign up for a meeting with the BRT, complete the Sign-Up form on the Fishers Recovery website under Business Recovery Center. Businesses can sign up for both the BRT and Business Recovery Center through this form.

Additional Information

For additional questions regarding the BRT, please contact Mike Johnson, Captain, Fishers Police Department, at johnsonm@fishers.in.us or Jordin Alexander, Economic Development Specialist, at alexanderj@fishers.in.us.
